Sir,

In reply to Government Proceedings No. ⁸⁴⁹⁴_{51.2.12-96},
dated 7th instant, I have the honor to state that
from the experience of the Solur Gold Fields, so
far gained, no opinion against the declaration of
minimum rates can be formed, because consump-
-tion till the end of November shows only a fall
of 35-3 gallons.

It may be the influence of cheap European
liquor not so much as the current retail
price at $2\frac{1}{2}$ annas which is not prohibitive
for Gold Fields' rate of wages. Further experience
is necessary.

I have the honor to be,

Sir,

Yours most obedient servant.
